Where can I buy all this stuff?

We recommend visiting the Scout Shop at Grand Canyon Council Headquarters, 2969 N. Greenfield Road, Phoenix 85016. Unless otherwise specified, the Class A uniform should be worn to all Den and Pack meetings and events.

The official Scout pants are expensive. Are there alternatives?

Yes. We recommend cargo-style pants or shorts; blue for a blue uniform shirt, green for a khaki shirt. Jeans also are fine for most events and activities. Scouts should not wear athletic apparel with their Class A uniforms because there is no place to wear a belt and display belt loop awards. The Class A shirt must be tucked in at all times and should always be worn with a rank-appropriate neckerchief and slide.

Where do the patches go on the Class A uniform?

The official Cub Scout Insignia Guide is available on the Forms/Downloads page of the Pack website, www.cubscoutpack316.com. Our experienced leaders can help as well.

How do I attach patches to the uniform shirt?

Sewing them on is best. The Scout Shop will sew on patches for \$3/patch. Some have used a product called Patch Magic, but patches may fall off after several washings.
